

# CERTIFICATE

This is to certify that

## M2 Integration

2580 NW Campus DR  
Estacada, OR 97023  
United States of America

as central function with the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System** for its certification structure Multiple Sites.

### Scope:

Build to print fabrication of metal assemblies, welding, electrical components, assemblies and cable harnesses, installation, integration, testing, and field support. The design of test verification and support equipment.

Through an audit, performed in accordance with AS9104/1, rev. 2012-01, it was verified that the management system fulfills the requirements of the following standard:

## AS9100:2016

Quality Management Systems - Requirements for Aviation, Space and Defense Organizations
